December 2nd, 2018 - The decades before the Civil War saw the first secular efforts in American history to remake society through reform

Reformers launched unprecedented campaigns to reform criminals and prostitutes to educate the deaf and the blind to guarantee women's rights and to abolish slavery. Modern systems of free public schools, prisons, and hospitals for the mentally ill are all legacies of this era. This book tells the story of America's first age of reform, combining portraits of leading
